Dear Colleagues:

The Board of Directors of BOMA Canada would like to announce that, effective January 27, 2012, Diana Osler Zortea is no longer with BOMA Canada. The Board thanks Diana for her dedicated commitment to the Association during her tenure as President and offers their sincerest wishes for her future success.

The Association is seeking new leadership to further BOMA Canada's program delivery and member service needs and has appointed Interim General Manager, Michael Miceli, during this transition period.

The Board of Directors and staff appreciate your continued support and look forward to working with you in the coming year.

Sincerely,

David Judge
